

Understanding your **MEDICARE 30-DAY WINDOW**

If you or a loved one has been discharged from a hospital or skilled nursing care center after receiving Medicare benefits, you may still qualify for Medicare benefits at The Christian Village.

FAST FACTS

about Medicare's 30-day Window

GracePoint
short-term rehab

You may be
eligible if:

- ✓ You've had a 3-night in-patient hospital stay within the last 30 days
- ✓ You were discharged from a skilled nursing care center within the last 30 days
- ✓ You have skilled care days remaining in this benefit period
- ✓ Your doctor certifies that you require skilled nursing or rehabilitative care

We're here to help explain the specifics of the 30-Day rule so you understand your options and plan ahead for maximizing your Medicare benefits.
