Belleville – CareLink of Metro East (formerly known as Barber Voss) announced today that it has received both the 2017 Best of Home Care – *Provider of Choice* and *Employer of Choice* Awards from Home Care Pulse (HCP).

These awards are granted only to the top-ranking home care providers, based on client and caregiver satisfaction scores gathered by HCP. CareLink of Metro East is now ranked among a small handful of home care providers across the country that have proven their ability to provide an exceptional working experience to employees and the highest quality care to clients.

“We want to congratulate CareLink of Metro East on receiving *Provider of Choice* Award and the *Best of Home Care – Employer of Choice* Award,” says Aaron Marcum, CEO and founder of HCP. “Since these awards are based on real, unfiltered feedback from clients and caregivers, CareLink of Metro East has proven their dedication to providing a great work environment and solid training to employees, while maintaining their focus on client satisfaction.
