

A FEW OTHER THINGS TO KNOW

Family and friend visitors are welcome and encouraged! Prior to your visit, please contact your community for any restrictions in place. We're happy to assist visitors in connecting with residents and becoming involved in our community.

A variety of enrichment opportunities are available for GracePoint guests. Check the activity calendar for ways to get involved. Special foods and snacks are welcome but must be cleared for any dietary restrictions through your healthcare team.

Our community is a smoke-free environment. Striking of matches, lighters or lighting candles is strictly prohibited. Smoke detectors are highly sensitive and will trigger the alarm system.

We are pleased to offer GracePoint short-term rehab at our family of communities.

What to *bring*
for a comfortable rehab stay

What to expect AS YOU REHAB at a Christian Horizons community

Our team is ready and excited to welcome you to our community for short-term rehabilitation and are happy to help in any way to make things feel like home. Our skilled rehabilitation team will work with you to develop a personalized treatment plan to fit your individual needs. Clinicians meet regularly to discuss and modify your recovery plan and goals and you are welcome to use them as a resource during your stay.

In this brochure, you'll find a list to help in your planning—common things to bring for your comfort and more. If you have questions, please ask your community team!
